

Timmendorf on the Baltic Sea
"2026 MMPP Congress with Dr. Andre Saine"
October 12 to October 16, 2026

Pure Homeopathy in **Cases with Severe Pathologies** and the presentation of new **Materia Medica Monographs**

After a successful event in Niendorf on the Baltic Sea in 2025, we had to look for a new venue, as the „Kurhalle“ is no longer available as a seminar room. We have found what we were looking for and can now offer the **Landhaus Carstens**, a beautiful seminar house located **directly on Timmendorfer Strand**.

We cordially invite you to this special seminar event: a week of intensive learning with one of the great masters of homeopathy in an extraordinary location. The fireplace room with its high ceiling, exposed wooden beams, and open fireplace will provide us with the personal, informal setting that has characterized this event since its inception. We would like to point out at this stage that the **on-site event is only possible for 30 participants**. We therefore recommend booking early – places will be allocated according to the date of registration. You can find more impressions of this year's seminar house at: <https://www.landhauscarstens.de>

The event consists of a 5-day course and an optional workshop on BNS treatment. You can find more information on the next page.

To ensure optimal practical relevance, André Saine will discuss interesting cases with a focus on "severe pathologies" during the course week. Participants will systematically train their ability to grasp **the essence of the case – the genius**. For optimal learning, the cases will be sent to participants in advance for self-study. A **live anamnesis** (on site or via Zoom conference) will complement this training. André Saine's precise and comprehensive anamnesis is always very instructive and impressive, even for experienced practitioners.

As part of the international 'Materia Medica Pura Project' (MMPP), André Saine has been working for over 15 years on the systematic revision and updating of the homeopathic materia medica and repertory. As in previous years, the **results of the MMPP** will be presented in lectures during the seminar week, with a particular focus on the genius of the remedy and its differentiation from other similar remedies.

Accommodation

As Timmendorf focuses on tourism, there are cozy hotels and vacation apartments in the surrounding area. Some of these are located directly on the beach promenade. Landhaus Carstens has a contingent of 15 rooms available for seminar participants. More information on this and other accommodation options can be found in **the attached accommodation directory**. We generally recommend booking accommodation early, as there will still be holidaymakers at Timmendorf beach in October. Please inform the accommodation provider that, as a conference participant, you are exempt from paying the usual visitor's tax. Accommodation is not included in the seminar price.

BNS workshop

On Sunday, October 11, we are offering an optional workshop to deepen your knowledge of the BNS technique. (BNS stands for "Bilateral Nasal Specific" – information can be found on the website: <https://nasal-specific.eu/bns-im-detail/>)

Essentially, this workshop is designed to deepen your own skills in BNS treatment. This includes refining examination methods, such as locating the relevant craniosacral diagnostic points, but also using a larger number of finger cots. In addition, questions arising from your own practice will be discussed.

Dr. André Saine

Dr. André Saine lives and works in Montréal. He is a graduate of the National College of Naturopathic Medicine in Portland, Oregon, and has been Dean of the Canadian Academy of Homeopathy since 1986. He has been teaching genuine homeopathy internationally for 40 years.

With his **extraordinary knowledge of materia medica** and his precise and insightful anamneses and case analyses, which are **objective, logical, and easy to understand**, André Saine is undoubtedly one of the best homeopaths in the world. He is a very alert, well-read, immensely hard-working, and very personable colleague with an exceptionally lively lecturing style. Further

information and texts by André Saine are available at www.mmpp-saine.org or on his own website www.homeopathy.ca.

Seminar schedule

Below is the preliminary schedule, which has not yet been finalized. The main topic will be: “Ailments from vaccinations/ Long Covid”.

October 12–October 16, 2026, 9:15 a.m.–5:45 p.m. (German time)

		End 17:15		Follow up of the Live Case from 2025			
End		End	End	End	Social evening with Open End	End	End

For optimal learning, most of the cases will be sent to participants in advance for self-study.

In-person event

We consider personal interaction to be very important, as it allows participants to cultivate friendships and form networks in addition to imparting knowledge. For this reason, we are once again offering an in-person event – but as already mentioned, **only 30 participants** can attend at the new seminar location.

When booking accommodation, we advise you to pay attention to the cancellation policy, as the seminar may also be canceled **until August 31, 2026**, if the number of participants is too low.

Online participation

For anyone who lives too far away or is unable to attend in person, we offer the option of participating online via Zoom. It is possible to ask questions using the chat function. We place particular emphasis on ensuring a stable transmission of the online seminar.

Simultaneous translation

Due to the positive response to the **simultaneous translation service**, we will be offering this service again this year for **all five mornings and afternoons**, as well as for the **in-person event**. Regardless of this, the seminar days will be recorded daily. At the end of the seminar, participants will receive a link to access the recordings of the mornings and afternoons. This link will then be valid for one week.

Seminar prices

In-person prices:

Seminar price:	775 euros
Meal allowance:	425 euros
Optional: BNS day:	100 euros (no meals are provided on this day)
Optional: Social Evening:	59 euros (price per person – accompanying persons can be booked additionally)

Online prices:

Seminar price:	700 euros
-----------------------	------------------

Video recordings:

The seminar days are recorded daily. The recordings are available to participants **free of charge** for one week after the end of the seminar.

After that, the video recordings can be made available for a fee of **100 euros** for one year. We kindly ask you not to share the links to the recordings. The surplus from the seminar will be used to finance the MMPP project. We can only ensure the long-term preservation of the project with sufficient income.

Discounts for in-person or online participation:

- 10%** - for members of DZVhÄ, SVHA, SAHP, ÖGHM, ÄKH, SHZ certificate
- 20%** for participants from Eastern Europe
- 30** for participants from Asia and Africa

A **special discount** is available upon request if proof of very low income is provided.

The seminar price includes:

- 5-day training course with Dr. André Saine: condensed "Pure Homeopathy" from practice for practice. After the seminar, video recordings and various files will be sent out for the booked lessons for review.

The catering fee includes:

- **Break refreshments:** coffee, tea, lemon and ginger water, fruit, mixed nuts, vegetable sticks, pastries and cakes, seminar drinks
- **Lunch on seminar days** (two-course menu – with fish/meat but also vegetarian/vegan options) including water/juice

Social evening (optional booking):

Buffet on Wednesday evening as part of a social evening

(If you have any food intolerances, these can be arranged directly with the hotel – in this case, please contact: Ms. Valentin, info@landhauscarstens.de)

Interesting facts about the seminar:

- The seminar is suitable for both experienced homeopaths and beginners; everyone will benefit in their own way.
- The seminar language is English. As a French Canadian, André Saine's native language is French, so he speaks English with little accent and is easy to understand. **In addition, each participant can select German simultaneous translation free of charge within the Zoom meeting.**
- German doctors are kindly requested to bring their barcodes. The 5-day course is expected to be certified by the Medical Association with approximately 34 points.
- An MMPP meeting will take place on **Friday, October 16, 2026**. Everyone is welcome to attend. For more information about the MMPP, visit <https://mmpp-saine.org>.

Registration will be possible **from March 1** via the website: <https://mmpp-saine.org/>

If you have any questions, please send an email to: info@mmpp-saine.org.

The organizing team welcomes you warmly

Kerstin Kotschenreuther, Clemens Breig, Roland Methner, Christine Heckmann, Elena Jock
